December Topic of Importance:

Let it Snow, Let it Snow, Let it Snow!!

Winter Preparation: after researching to make sure it will be safe for the dogs, Dawgs in Motion has a new product available this year.

**Superior
North Woods
Ice Floe Plus
Ice and Snow
Remover**

**Available in 20lb
buckets for your
convenience!**

**Winter is upon us so
make sure you have
the supply you need.**

North Woods Ice Floe is a product used to remove ice from sidewalks and driveways. Ice Floe goes three times farther than calcium or salt and is safe for your pet's paws. Ice Floe does not leave messy residues on floors or sidewalks and is non-corrosive!

Stacy Krafczyk, Animal Communicator will be coming back to Dawgs in Motion in January!

Stacy will be holding a **2 hour Communication Class on Saturday, January 9th from Noon – 2pm** and also on **Saturday, February 6th from Noon-2pm**. The cost for participants is \$40/person.

Stacy will be hosting readings again on **Saturday, January 23rd from Noon-4pm**. The appointments are 20 minutes each and cost \$40.

Tailwaggers911 Giving Tree

Located at Dawgs in Motion

'Tis The Season For Giving

Local Dog Rescue – Tailwaggers911 is in need of many different dog items. You can pick an item from the giving tree located at Dawgs in Motion. They also have a barrel available to place the items in. All of your donations are very much appreciated.

Merry Christmas from Tailwaggers911 and Dawgs in Motion!

What's new at Dawgs in Motion?

New Training Class Curriculum in 2010!

We are busy planning for the New Year and for all of our training classes beginning the week of January 4th, 2010.

New additional techniques and activities will be added to all of our obedience classes. We are always learning from the needs of our customers. We will be incorporating some of this information into our new curriculum for 2010 classes.

Continue to watch for new classes and activities Dawgs in Motion will be introducing during 2010.

Our Tracking class will resume in Spring as soon as our Wisconsin winter is behind us. Watch for newsletters and website for the start dates in Spring.

Pretty Paws Care Tips:

Watch your dog's paws in the snow.

Get the hair on your dog's paws trimmed regularly. Long hair in between your dog's toes and pads can become matted and cause discomfort to them. In winter, ice can form quickly and can irritate and even cut the skin between the toes and pads. If you have the hair trimmed from the pads of their feet there will be less chance of this happening. Do not expose your dog to the outside elements for prolonged periods of time. You can help protect their pads from the cold weather with either a paw rub or boots. Both of these items will help prevent cracking too.

Congratulations to our Day Camp Dogs of the Week!

November 2 – Boots

November 9 – Princess

November 16 – Mya

November 23 – Gretta

November 30 – Chloe
